**F. Report on possibility of applying for Small Town Main Street Program.**

Board members were asked to review a prior application sent in 2003 and the requirements for a new application for 2012. After discussion, it was determined that we had work to do in getting community involvement and interest in a revitalization of the downtown area before we could apply. Commissioner Kellis made a motion that we abandon the idea of applying for the 2012 Small Town Main Street Program until we can develop an active Downtown Revitalization Committee. Motion carried unanimously.

Commissioner Bridgers made a motion that they be allowed to use the park for the festival on May 5<sup>th</sup>. Motion carried unanimously. If they decide to go ahead with it at the park, they are to coordinate with Chief Deel regarding police presence as well as emergency personnel.
